

WHAT IS A SCHOOL LIAISON (SL)?

The School Liaison serves as the link between military families, the installation commander, military agencies, and schools by providing assistance in matters pertaining to student education.

USMC SCHOOL LIAISON PROGRAM MISSION

The mission of the USMC School Liaison Program is to identify and coordinate community resources to reduce the impact of the mobile military lifestyle on military school-age children and families; to implement predictable support services that assist children/youth with relocations, life transitions and achieving academic success; and to provide a wide range of resources to facilitate school transitions to parents, students, schools, commanders, and communities.

USMC SCHOOL LIAISON SERVICES

The top priority of each SL is to provide parents, students, and educators timely and relevant information to enhance learning and promote academic success. This support includes:

- Inbound/outbound school transfers
- Information on local schools and boundaries
- Information on school choice programs
- Information for kindergarten entry and high school graduation requirements
- Military and community agency referrals
- Information about home schooling
- Assist with post-secondary transition
