Community Involvement:

- SMP participates in clean up, river clean up, children's home visit, school visit and beach clean up.

Benefits of being a volunteer:

- It's good for you; receive an LOA for your time.
- It brings people together and allows you to explore different areas in Japan.
- Experience Japanese Culture and traditions.
- Volunteering strengthens your community.

As a volunteer you help:

- Beautify the community through your hard work and dedication.
- Build a deeper friendship between Americans and Japanese nationals.
- Make a difference because every person counts!
