

Community Counseling Program

☎ 253-6553/0827-79-6553

Community Counseling Program offers counseling services utilizing a holistic approach to assist people with overcoming some of life's most difficult challenges. Our clinicians are independently licensed and credentialed professionals who provide solutions designed to meet your specific needs.

New Parent Support Program

☎ 253-5043/0827-79-5043

New Parent Support Program offers a wide range of services at no cost to expecting parents and families with children from birth to age five. Services include home and office visits, prenatal and postpartum support, parenting classes, and play groups.

Our Mission

Our mission at Marine and Family Programs Behavioral Health is to provide timely, consistent, effective, and confidential support for active duty service members, DoD employees, family members, and other eligible beneficiaries. Our programs provide support in areas related to family issues, adjustment concerns, changes to family dynamics, substance misuse, or disorders which interfere with occupational or interpersonal functioning.

Family Advocacy Program

☎ 253-4526/0827-79-4526

Family Advocacy Program offers confidential services and resources including information, prevention, education, and treatment to help foster healthy resilient dynamics for families, individuals, couples, and children. A family does not have to have a reported incident in order to receive confidential counseling services.

Substance Abuse Program

☎ 253-5043/0827-79-5043

The Substance Abuse Program offers consistent and effective care for active-duty servicemembers and other eligible SOFA status beneficiaries 18 years and older who may be experiencing substance misuse related problems or disorders which interfere with their occupational and interpersonal functioning.

Victim Advocacy

☎ 253-4526/0827-79-4526

24/7 Helpline ☎ 253-SAFE (7233)/
0827-79-7233

Victim advocates provide information, guidance, and confidential support to victims of domestic violence and non-abusing parents of child abuse/neglect. An advocate responds to the needs of victims and their children by providing crisis intervention, conducting a safety assessment, and assisting with creating a safety plan. An advocate also offers information on rights, benefits, legal services, and community resources.

Prevention & Education

FAP ☎ 253-4526/0827-79-4526

SAP ☎ 253-5043/0827-79-5043

Behavioral Team staff provides a variety of education and prevention programs to commands and in group settings. Classes include anger management, parenting, couples, and relationship classes.
