

Exceptional Family Member Program (EFMP)

Enrollment Instructions

<p>Your exceptional family member (EFM) is an ADULT</p>	<ol style="list-style-type: none"> 1. Complete the demographic information on form DD2792. 2. The Adult EFM or legal guardian must read and sign form DD2792. 3. The EFM's qualified medical provider completes and signs all medical sections including the Asthma addendum (pg.8) Mental Health addendum (pgs. 9-10) and the Autism Spectrum Disorder / Developmental delays addendum (pg.11). The medical provider can check the "no" box if you or your family member does not have these conditions, but a signature is required from the medical provider to acknowledge that the addendums have been reviewed.
<p>Your exceptional family member (EFM) is a CHILD</p>	<ol style="list-style-type: none"> 1. Follow the directions above for completing form DD2792. 2. If your child is being evaluated or is eligible for Early Intervention Services or Special Education Services under the Individuals with Disabilities Education Act (IDEA), complete form DD 2792-1. 3. Have your child's school or early intervention services provider complete the DD form 2792-1. 4. Attach a copy of the current Individual Education Plan (IEP) or Individual Family Service Plan (IFSP). 5. A parent or legal guardian must read and sign the DD2792-1 form.

Please note: EFMP enrollment information must be current. That is, not more than **90 days** from the date the qualified medical provider or school official signed the form, and the enrollment form being received at DC, M&RA (MRY-1) for review.

When the application is completed please make an appointment to submit your documentation with the EFMP office.

MCCS welcomes people of all abilities. If at any time you would like assistance or have questions about your application process, please contact the EFMP office. We are here to help!

EFMP Office is located in Building 636, Child Development Center
