Parent's Code of Ethics

I hereby pledge to provide positive supports, care, and encouragement for my child participating in Youth Sports by following the code of ethics.

- I will encourage good sportsmanship by demonstrating positive supports for all players, coaches, and officials at every game, practice and other Youth Sports events.
- I will place the emotional and physical well-being of my child ahead of any personal desire to win.
- I will insist that my child play in a safe and healthy environment.
- I will provide support for coaches and officials working with my child to provide a positive, enjoyable experience for all.
- I will demand a drug, alcohol, and tobacco free environment for my child and agree to assist by refraining from their use at all Youth Sports events.
- I will remember that the game is for children not adults.
- I will do my best to make Youth Sports fun for my child.
- I will ask my child to treat other players, coaches, fans, and officials with respect regardless of race, sex, creed, or ability.
- I promise to help my child enjoy the Youth Sports experience within my personal constraints by being a respectful fan.
- If an issue should develop on the field or court between coaches, referees, youth, and parents, this issue should be presented to a Youth Sports Rep in a calm and professional manner or prepare a clear and factual written statement that is to be submitted to Youth Sports within two working days to facilitate a resolution and/or initiate an investigation. If a resolution is not reached, military commands, inspectors, or other outside agencies will be notified.

Youth Sports Policies

1. "No switching teams" policy: I understand once YS has assigned an eligible player to a team, there will be no switching or trading players with other teams. Special requests are granted for the placement of siblings (same team) if and only when they are within the same age division. Coaches will select practice days and times. Upon registering, parents agree that they must plan accordingly to accommodate practice times and location.
2. Advancing Divisions: I understand participants may not play in a lower age division that they belong (unless of a medical condition), but may request to move up one age division providing there is room on the team and the move does not displace a child belonging in that age division. Once a child has been moved up to the next age division, he/she cannot be moved back down. In order to advance, the child must be turning the specific age during that season.
3. I am fully aware that responsible adult leadership (Youth Sports Coaches and Parent Volunteers are the backbone of the Youth Sports program. It is these individuals that help make our program viable. I understand that I will do my best to actively participate and be involved in the program.
4. Parents must be present at all MCCS Youth Sports events with athletes that require inhalers or epinephrine. Volunteer coaches will not administer medications.
